REQUEST FOR WAIVER OF 471 APPLICATION

---

United Community Schools, BEN 131827

471: 191042028 (Category 1, TWC IA)

**FRN 1999077071: Internet Access**

United Community School, a school that receives a category one discount of 60% , respectfully requests a waiver of the 2019-20 Form 471 application.

(We are requesting extra time as we have had a lot of changes in administration which caused a lack of communication about erate responsibilities. ).

This application contains the all important Internet Access from Iowa Communications Network (SPIN 143003005) for our children and educators and we simply need the discount to continue our work of educating our high risk students.

We are filing this waiver request today because we are unsure of when we will receive an actual OOW – Out Of Window Notification from USAC. We

understand that all documents for 2019 are in the EPC portal, but we don't know when we will receive the OOW.

Thank you so very much for your support in granting this request for waiver of the filing deadline of March 27, 2019, and we look forward to another year of discount on our Internet Access services.

Respectfully submitted this 10 day of April, 2019.

Mikel Hansen, Technology Director  
United Community School District
